

THE ST. UNY—VERSE

ISSUE 787 VOLUME 22

Friday 21st October 2016

Dear Parents/Carers,

Last term the six Aspire Directors were requested to meet with a Senior Her Majesty's Inspector (HMI) as part of a review of high performing Multi Academy Trusts, commissioned by Sir Michael Wilshaw, Her Majesty's Chief Inspector for Ofsted.

I am very proud to be a Director within the Aspire MAT and am especially delighted by this recognition from Ofsted of the good work Aspire do to improve the learning and life experiences for children across Cornwall. With reports of some single academies and MATs not meeting the minimum Ofsted expectation of providing a 'good' education for children, I imagine you must be very reassured as parents that your children are attending an academy within the Aspire MAT.

The link below will take you to the full report, in which Aspire have been commended.

Head lice We would be grateful if you could please check your child for head lice over the half term. If you find live lice/eggs the wet combing method, together with the use of insecticides, is the recommended treatment. This should be repeated every two or three days for two weeks. Can we also please remind you that long hair should always be tied back whilst at school. Thank you.

We are always really grateful for **parent volunteers** within school. If you are able to help for a few hours each week, please let the office know. Thank you.

Facebook friend requests. Occasionally teachers and TAs receive friend requests from parents on Facebook. Please do not be concerned that the request is declined unless you are a relative of the teacher or a member of governance, for example. This is simply due to helping us comply with teachers standards part two - respecting professional boundaries. We do hope you understand. Please consider looking at our new St Uny Academy Facebook page where you will be kept up to date with school events. Mr Kay

Miss Julian Today we say farewell and good luck to Miss Julian. We all thank her for the support and dedication she has shown to our school for many years but wish her every success with her career change. A brilliant and talented PE leader, Miss Julian will be very much missed but she has handed the baton of PE leader to the very capable hands of Mrs Travis who will continue the amazing job I'm sure. Mrs Costello

We have had a lovely response from the St Ives Food Bank following your generous donations on Tuesday. The church collection made £76.85 which has been sent onto the Food Bank. Thank you.
